

CLIENT AGREEMENT

As a community of Followers of Jesus Christ, the St. Augustine Community Food Pantry and Volunteer Staff are dedicated to announcing the gospel by helping those in need of assistance. This includes reducing food insecurity for those in the greater Brighton community and surrounding areas of Adams County. The pantry operates in a non-discriminatory manner and in an environment of safety, dignity, respect and compassion.

The Saint Augustine Community Food Pantry (SACFP) is committed to the assisting the food needs of our community members. By signing up to be a client and receive food assistance we agree to the following:

- **We understand that the staff here at the SACFP are volunteers and are working to help us, so we agree to treat them with respect and BE NICE**
- **We will bring our own bags or boxes to the Pantry when we come to be served**
- **We understand that when there are limits on food items, they are needed to ensure that everyone will get some food**
- **We will take only the food we will use so we do not waste God's precious gifts**
- **We will treat everyone at the SACP as we would like to be treated**
- **We understand that the Pantry will not be using the alley behind the building for food distribution. All clients should park in the church parking lot across the street to respect our neighbors.**
